

RI Construction Training Academy

When: May 21, 22, 28, & 29, 2024

Time: 5pm – 8 pm

May 29 Exam Session

Where: 249 Roosevelt Ave, Lower Level
Pawtucket, RI 02860

Class & Exam Cost: \$225.00

Exam & Study Guide Only Cost: \$125.00

This course is for those seeking certification in refrigerant handling in accordance with the Federal Clean Air Act Section 608 as required by law.

Course will include a comprehensive and concentrated review of EPA Standards and Requirements for refrigerant handling and safe practices in the workplace. Our 608 Certification Course will cover CORE, Type I, Type II, and Type III preparing you to obtain Universal Certification. Pricing includes 12 hours of training, student manual, and 3 hours for exam. If a retake of the exam is needed there will be a fee.

There are four 608 Certification exams, Core, Type I, Type II, and Type III. Each exam has 25 questions, 70 percent is required to pass. For Type IV Universal Certification, you must pass all the exams.

If attending only exam night, please know the exam is closed book therefore the study guide is recommended to prepare. Study guide should be picked up the week before exam night.

Registration deadline is May 14, 2024
